

Monthly Aviation Safety Seminar

Come join us for an insightful discussion about ADM, as well as a discussion about aircraft performance as we approach the high density altitude months this summer.

Directions: Parking is available in any SUU lot on the weekend. The business building is located in the center of campus, just to the east of the Sharwin Smith Student Center.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
